DAY 4 – KAKADU NATIONAL PARK

Begin the day with a drive to the East Alligator River region, known as the gateway to Arnhem Land. Take a walk to the World Heritage Ubirr art site, home to some of the world's most outstanding rock art. There will be time for those feeling fit to climb to the top of the escarpment for a magnificent view across the Magela floodplain.

Next up, take a local indigenous cruise on the East Alligator River. Hear the stories of the region as you spot the large saltwater crocodiles that dwell in these waters. Returning to our sturdy yet comfortable vehicle, we'll traverse Cahill's Crossing to visit the town of Oenpelli, stopping at the Injalak gallery to admire the indigenous artworks.

Returning to Jabiru, you'll gain another perspective on the incredible environments you experienced today on a 60-minute scenic flight that takes you over ancient escarpments, floodplains and winding rivers and exhibits the results of 1.8 billion years of continuous erosion. This flight includes live commentary from your pilot as you glide over these spectacular ancient lands. (B,L,D)
