expression and art making, and the Maningrida Art Centre empowers local Indigenous artists to pursue successful global careers from their homeland and township bases.

DAY 7 – MANINGRIDA TO MOUNT BORRADAILE

Departing Maningrida after breakfast, our travels take us through the stone country of west Arnhem Land. Cross the Goomadeer and Liverpool Rivers before arriving at the turnoff to Davidson's Arnhemland Safari Lodge, Mount Borradaile. From here we travel along a 40km bush track into the safari lodge, arriving in time for lunch. You'll then check-in to your cabin, home for the next two nights.

This afternoon the expert staff at Mount Borradaile will take you through 40,000 years of Aboriginal culture in a truly awe-inspiring landscape. The area contains some of the most stunning rock art galleries in the world, and in terms of artistic quality, quantity, colourfulness, and state of preservation, it is virtually unrivalled.

The walls of the many rock shelters are decorated with innumerable pictures documenting traditional Aboriginal life over many thousands of years. Subjects range from now extinct animals to twentieth century sailing ships and the iconic Rainbow Serpent.

Later this afternoon we return to the lodge for dinner. (B,L,D)

OVERNIGHT: 2 nights Mount Borradaile

DAY 8 – MOUNT BORRADAILE

Today we jump into the open-back Toyotas and continue exploring the wonderland that is Mount Borradaile. Learn about the variety of techniques used in rock paintings as the styles changed over thousands of years of occupation and storytelling. You will also wander through various occupation sites and view a range of artefacts from when these sites were still in use.

After lunch, it's time to explore the incredible wetlands of the Cooper Creek. Admire the prolific birdlife and massive crocodiles sunning themselves on the banks as you discover lagoons that seem more from a story book than from real life. As the sun seeks the horizon and sets over the

floodplain, enjoy a glass of wine and nibbles before returning to the lodge for our final night with Davidson's Arnhemland Safaris. (B,L,D)

DAY 9 – ARNHEM LAND TO KAKADU NATIONAL PARK

This morning we continue travelling through Arnhem Land. Your first stop is at the Injalak Art Gallery located in Oenpelli, which has over 200 active members including artists, weavers, and craftspeople from Gunbalanya and surrounds.

Cross Cahill's Crossing (keep an eye out for saltwater crocodiles!) and into the World Heritage listed Kakadu National Park. Covering almost 20,000 square kilometres and renowned for its vast wandering wetlands, exotic wildlife, millions of migratory birds and an estimated 5000 ancient rock art sites in the park, the Bininj/Mungguy people have called Kakadu home for some 65,000 years, making it the oldest culture on earth.

Here we visit Ubirr art site, home to some of the world's most outstanding rock art. Enjoy a 1-kilometre circular track walk and take in the multiple sites. Those feeling fit can make the steep 250-metre climb to the top of the rocky escarpment for magnificent views across the Magela floodplain.

After lunch we visit the cultural centre before checking into the Mercure Crocodile Hotel for our two-night stay. Tonight, we dine at the hotel. (B,L,D)

Then we depart for Burrungkuy (Nourlangie) rock art site, with more amazing rock paintings dating back 20,000 years. There are several sites and galleries to see. You also have the opportunity to climb up to the Gunwarddehwarde lookout for majestic views!

We return to the Mercure Crocodile hotel in time for dinner. (B,L,D)

Your flight includes live commentary from your pilot as you glide over these spectacular ancient lands.

Setting our sights for Darwin, we will cross the South Alligator River with its expansive wetlands which, for many years, were used for buffalo hunting. We'll travel via Humpty Doo before arriving into Darwin where your 8 Day Arnhem Land and Kakadu Explorer tour comes to an end.
